(2019-2021)

**ARE WE THE
UNIVERSITY OF
CHOICE??**

University of CHOICE

IPSC PLAY VITAL ROLES

Expected impacts from stakeholders

- Provide Stock of creative talent
- Provide new knowledge
- Spearhead economic development
- Spearhead societal development
- Create knowledge networks (industry/National/global)
- Branding and positioning (global prominence and spotlight)

Updates from NCs Status Report to LGU 27 June 2019 for 26th April – 25th June 2019

6 KEY STRATEGIC OBJECTIVES

TO BECOME THE PREFERRED UNIVERSITY BY DESIGN

- 1** To offer “future relevant” academic programs and provide distinguished learning and living experience towards nation building and meeting global expectations
- 2** To produce HEBAT students that are values internalized, inter-cultural competent and being a global citizen
- 3** To become the beacon for world’s best to be at USM
- 4** To produce HOMEGROWN industry-driven quality research in selected niche areas (sustainability led) that would move SME to become a global player and benefit the global community
- 5** To conduct impactful community engagements that are current and substantial based on translational research
- 6** To intensify engagement with alumni towards contributing back to USM

USM Strategic Plan Framework 2019-2021

5 KFA: LGU_127, 27 Jun 2019

5 KEY FOCUS AREAS

Institutional Recognition
(networking and linkages)

Championing
Sustainability Led
Community
Engagement and
Services

Academic
Programmes

Distinguished learning &
living experience

Students'
Experience

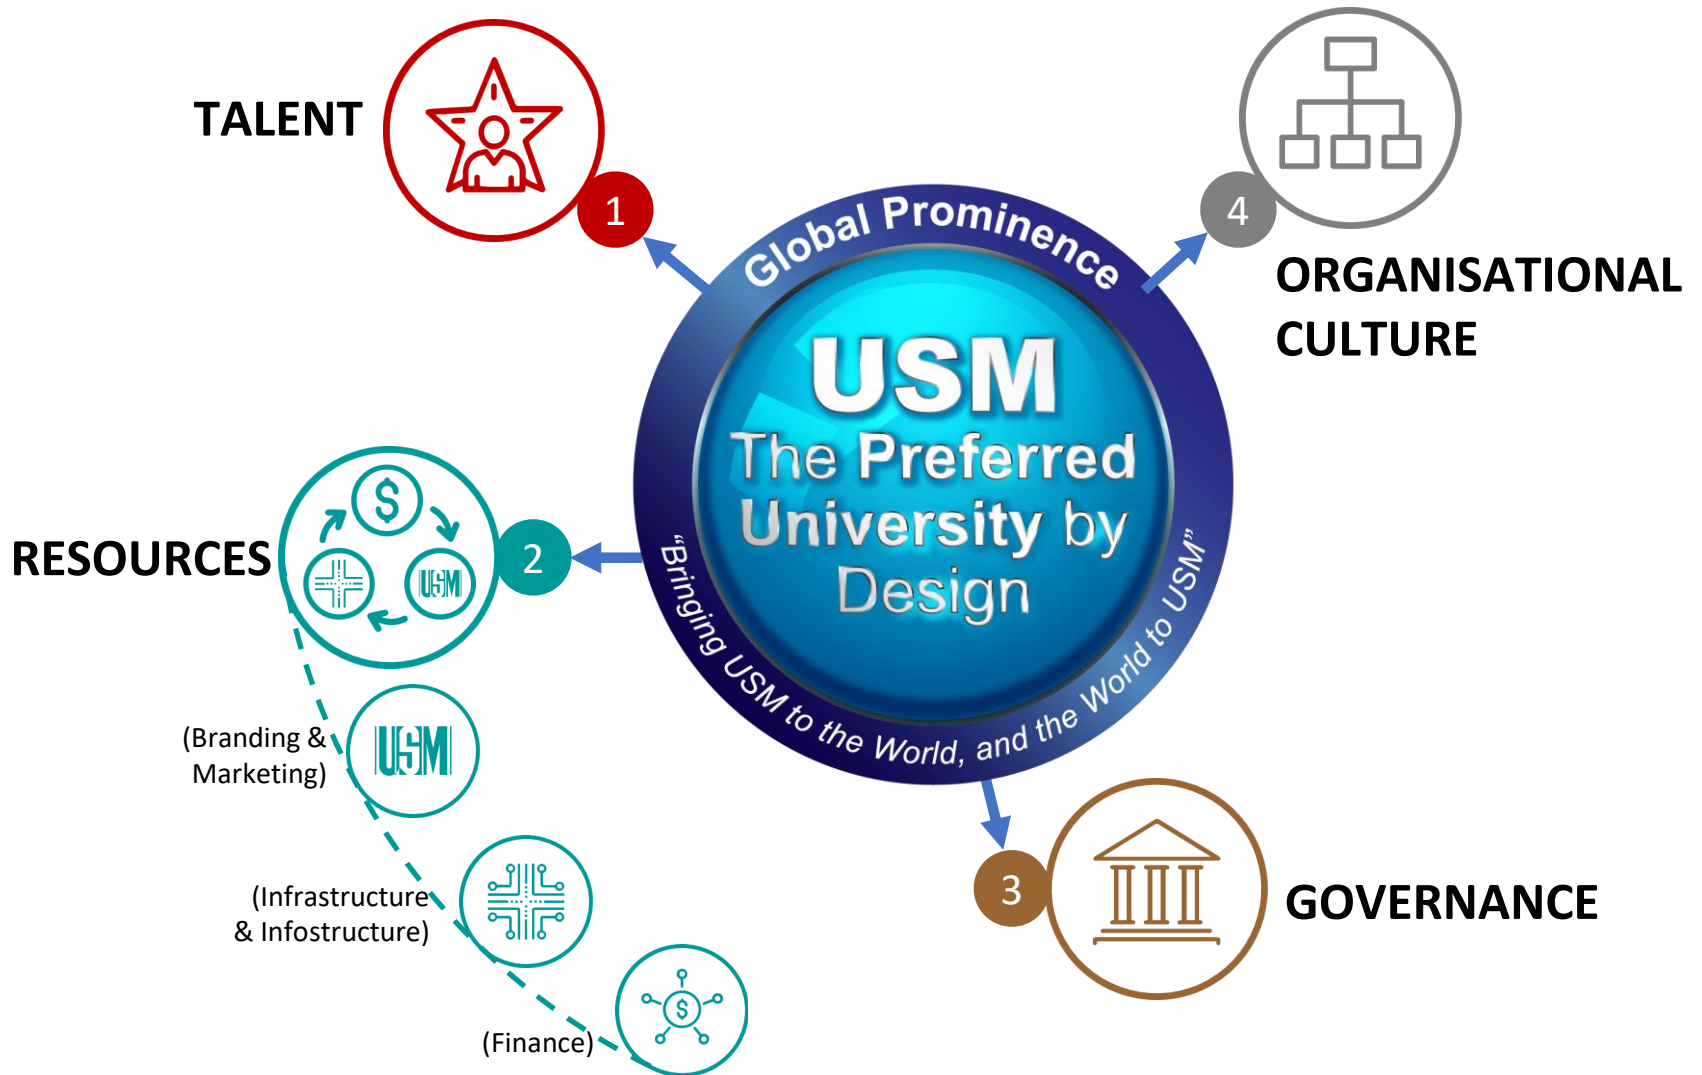

**Reduction
from 8 KFAs**

Global
leadership in
R&D &
Industry
Partnership
(niche areas)

Now the details

Key Focus Area 1: INSTITUTIONAL RECOGNITION (NETWORKING AND LINKAGES)

Key Question

How can we ensure that we are respected, referred and relevant?

Key Change

Strengthen our core areas (academic, research, services)

Strategic Objectives

To become the beacon for world's best to be at USM

To intensify engagement with alumni towards contributing back to USM

Strategies

To position USM respectably in global standing

To intensify networking and linkages with global partners and alumni

Strategic Initiatives

- To be competitive in global benchmarking
- To enhance internationalization agenda in academic programs, student activities and engagement and research & international community engagement
- Advancement in strategic linkages to complement USM's focused value proposition globally
- Engaging our alumni through personal engagements to come back and contribute

Activities

• Top 100 in QS Rankings

To address fundamental core areas in the ranking criteria:

1. Research and publication workshop
2. Review the quality of academic programs and delivery
3. Improve International faculty and student intake
4. Publications & Research Task Force

- To create a map to link researchers and collaborators globally
- Internationalization Strategies Enhancement Lab

- ACE's Focused Engagement, to be engaging profiled individuals and establishments with high numbers of USM alumni

- Alumni Endowment Program

Key Focus Area 2: ACADEMIC PROGRAMS

Key Question

How can we ensure we have globally preferred academic programs? How to train students to get jobs or be job creators with values

Key Change

Ensure innovative quality academic programs for global audience.

Strategic Objectives

To offer “future relevant” academic programs and provide distinguished learning and living experience towards nation building and meeting global expectations

Strategies

To position USM’s academic program for the global market

Strategic Initiatives

- Globally preferred academic programs
- Experiential learning as our strategic differentiation
- Unique learning experience through Frivoducation

Activities

To unlock restrictive senate policies

To facilitate schools in embracing OBE

To encourage extensive industry input in academic programs

To execute academic programs competitive analysis:
Eliminate / improve non-competitive programmes

Elevate in-demand programs

To introduce international dual/double degrees/off shores by collaborating with international academic institutions

Global contents & International accreditation

To broaden academic programme delivery - To run academic programmes through MOOCS and Microcredential

Experiential learning

Embedded creativity & innovation in curriculum

Key Focus Area 3: STUDENT EXPERIENCE (DISTINGUISHED LEARNING & LIVING EXPERIENCE)

Key Question

How can we ensure a memorable students' experience in USM with a global outlook

Key Change

Fostering values-infused and global mindset in USM students

Strategic Objectives

To produce HEBAT students that are values internalized, inter-cultural competent and being a global citizen

Strategies

To provide quality learning experience that meets global expectations

Activities

“One Student One Passport” Initiatives: e.g. Summer School, Exchange Programmes, Site Visits, Industrial Attachment, etc.
JORaN (Job Opportunities Recruitment and Networking)

Strategies Initiatives

- Fostering global mindset
- To produce 21st Century Skills and values infused students through HEBAT agenda
- To ensure students are proud to be “USM”
- To provide conducive new living experience
- To provide productive learning experience

Alumni Endowment Program

“Internationalisation at Home Program”

To develop HEBAT INDEX and incorporate HEBAT attributes in academic programmes and HEPA based activities

Hostel Transformation Plan by 3 tier Program

To focus on entrepreneurship and creating job creators amongst students by focusing on creativity and innovation mindset

Key Focus Area 4: GLOBAL LEADERSHIP IN R&D INDUSTRY PARTNERSHIP (NICHE AREAS)

Key Question	How to increase industry collaboration to intensify uptake of USM R&D products and services to accelerate innovation
Key Change	Impact research and energizing the industry
Strategic Objectives	To produce HOME GROWN industry-driven quality research in selected niche areas (sustainability led) that would move SME to become a global player and benefit the global community

Strategies

To produce quality research that would benefit the global community

Strategic Initiatives

- Producing High Tech and High Touch research to enhance societal well being
- Energising the industry via intensifying smart partnership collaboration from day 1.

Activities

Preparation of Research Blueprint (10 years)

Positioning the HiCoEs towards global level

New Technology consortium with industry partners (covering more research areas: E.g. Halal, Medical, ICT, Automotino)

Restructuring research cluster and mapping with demand driven areas and challenges to create Clusters/Nexus

To allocate matching funds with industries

To encourage more academic staffs to conduct research attachments at industry (minimum 3 months)

Key Focus Area 5: CHAMPIONING SUSTAINABILITY LED COMMUNITY ENGAGEMENT & SERVICES

Key Question

How to create impact to community and inculcate values-infused/ internalised future generation that will contribute to the betterment of society and the world

Key Change

Engaging with community from Day 1

Strategic Objectives

To conduct impactful community engagements that are current and substantial based on translational research

Strategies

To conduct action oriented community engagements that are current and substantial based on translational research

Strategic Initiatives

To intensify high impact community engagement projects through translational research that is current and relevant to the community

Activities

Communization of Knowledge Through Research Innovation for Community Development (USM PRIHATIN)

1. MRUN Translational Research Grant
2. INNO4C Program (Innovation for Community)

Develop community engagement toolkit to focuses on quality and effectiveness, process planning and designing engagement tailored to the particular issue, level of participation to be achieved, timeframe and range of stakeholders affected

Provide Competency and Enhancement Programme for academic staff to Leading an impactful & sustainable community engagement

University Community Engagement Conference (UCEC2019)

A field of white eggs with one golden egg in the center. The golden egg is the focal point, standing out from the sea of white eggs. The text 'USM' is written on the golden egg.

USM

**strategic
differentiation**

Key Focus Areas 1

Strategic Initiatives

Institutional Recognition

(networking and linkages)

1. To be competitive in global benchmarking
2. To enhance internationalization agenda in academic programs, student activities and engagement and research & international community engagement
3. Advancement in strategic linkages to complement USM's focused value proposition globally
4. Engaging our alumni through personal engagements to come back and contribute

Anchor university for Malaysia's international hub

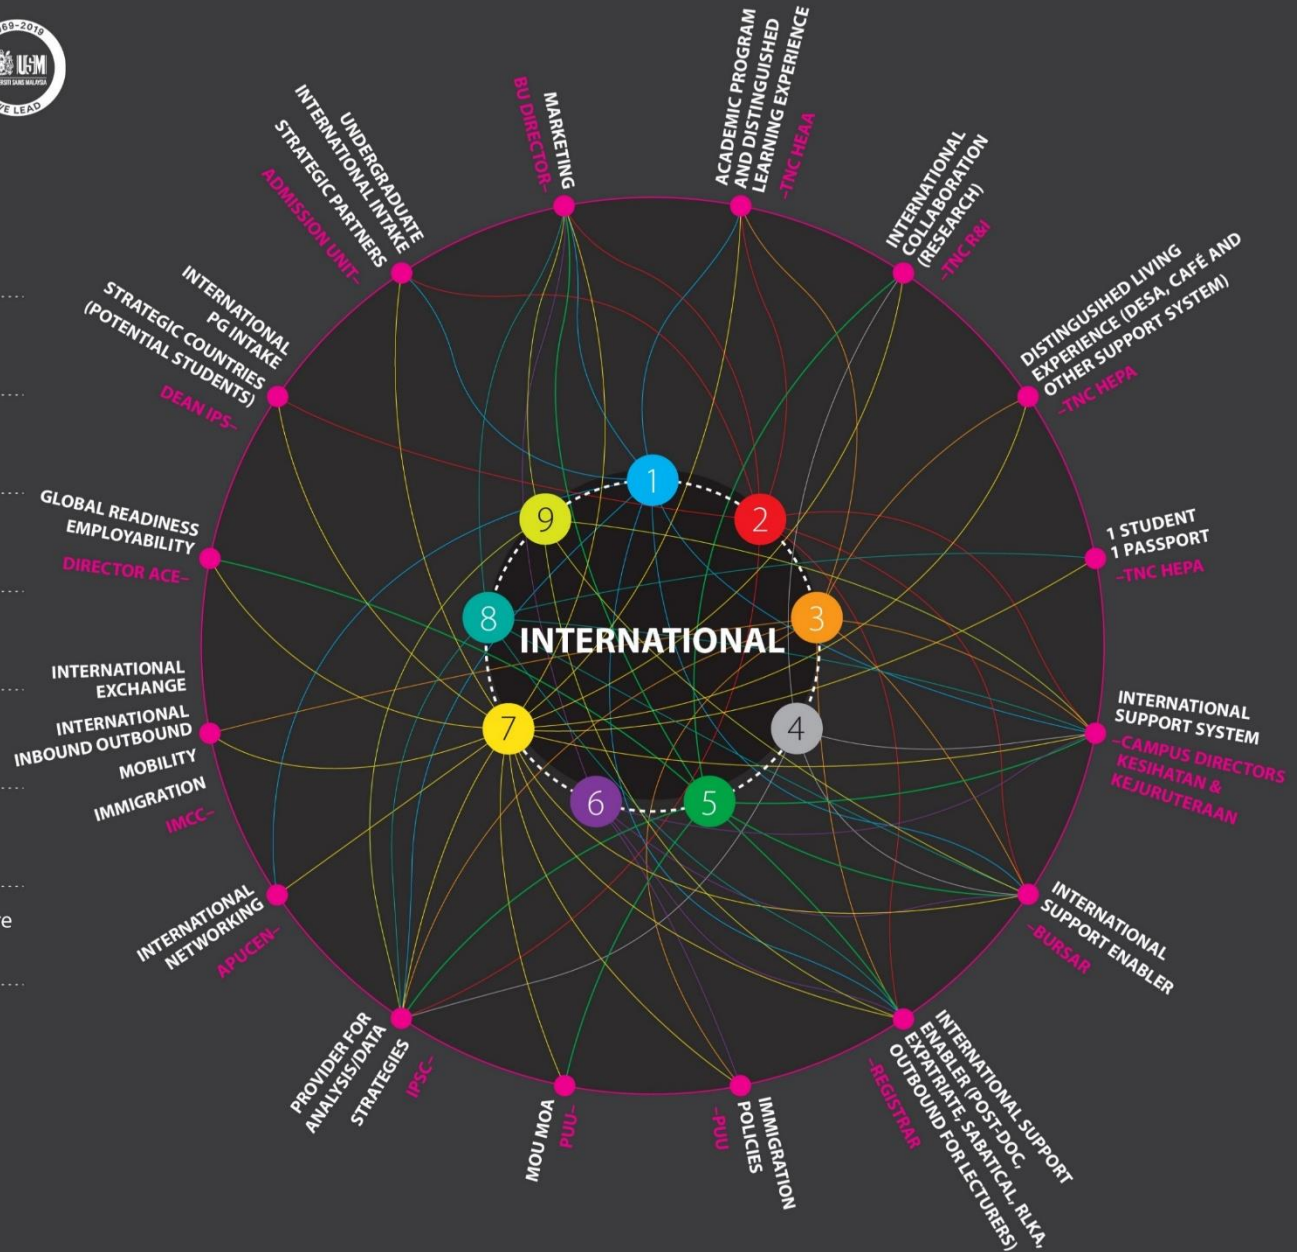

- > **Top 100 in QS Rankings / Subject Rankings**
- > **THE University Impact Rankings**

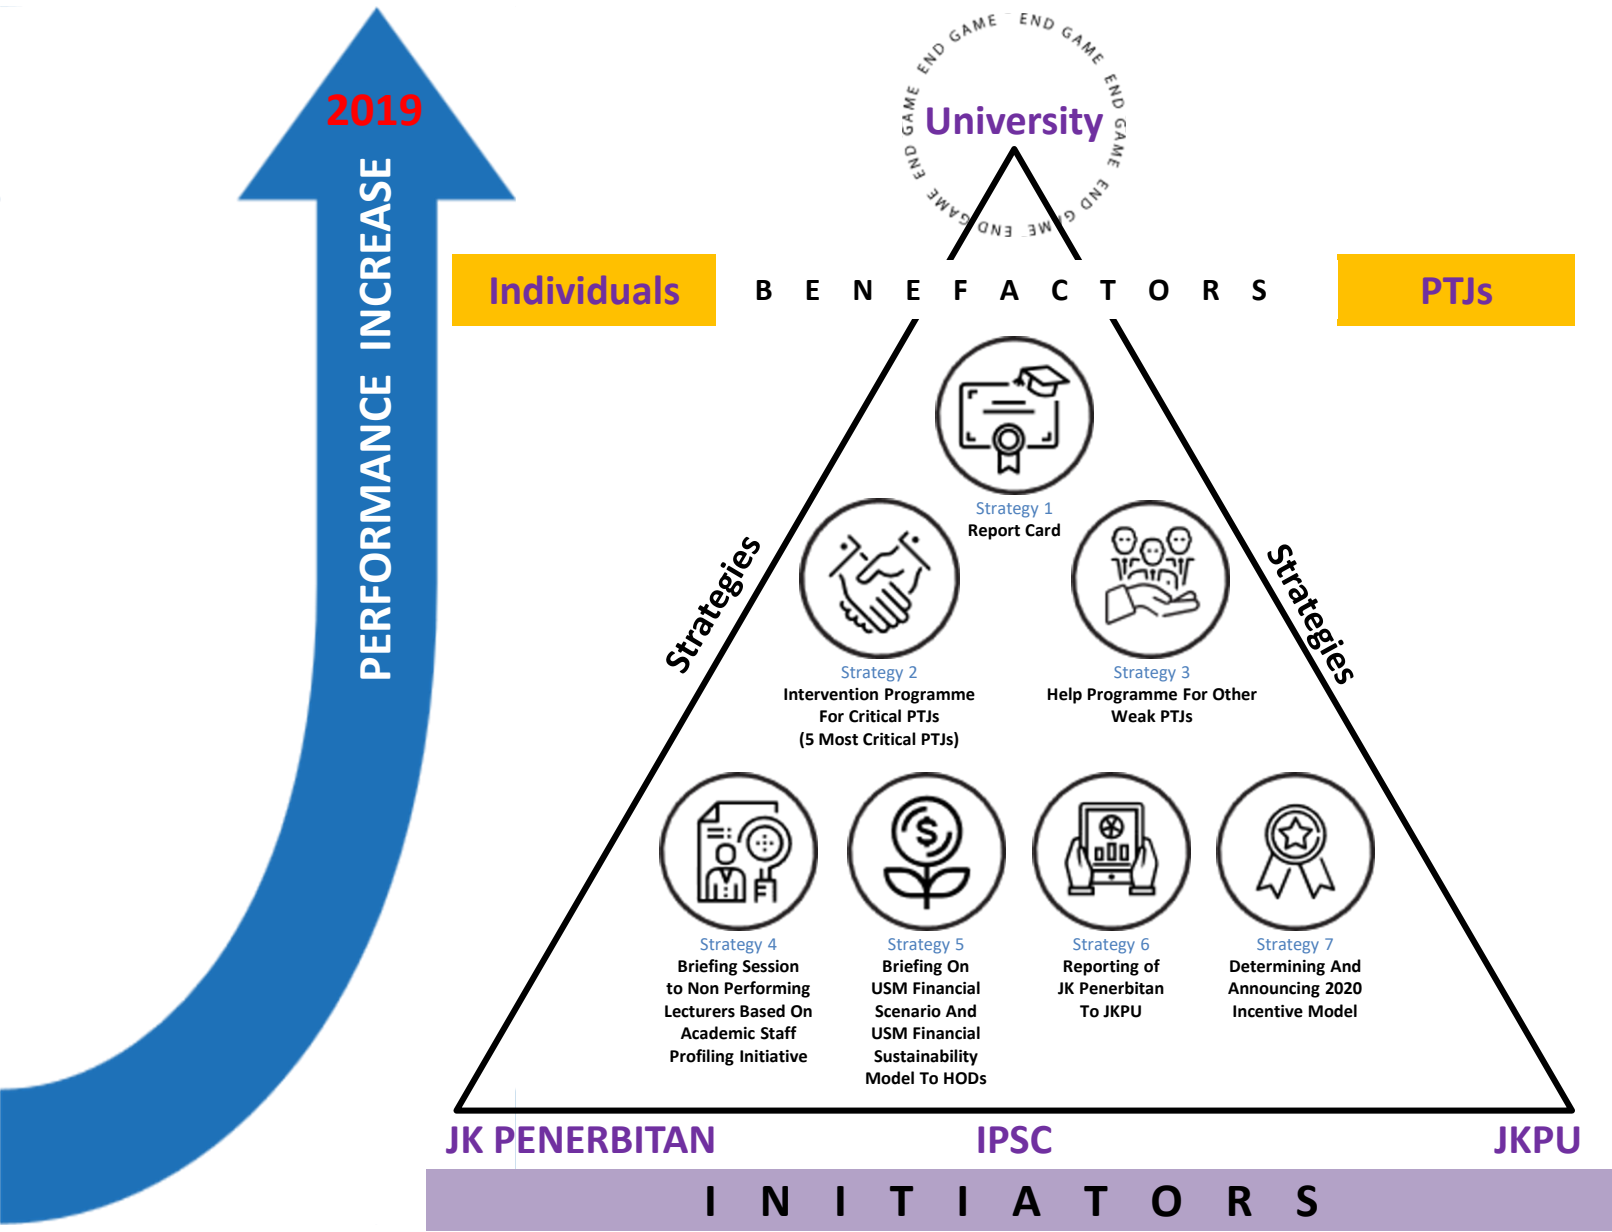

Internationalisation Mapping

- 1 To position USM respectfully in global standing
- 2 To position academic programs for the global market
- 3 To provide quality learning experience that meets global expectations
- 4 To Produce quality research that would benefit the global community
- 5 To intensify networking and linkages with global partners and alumni
- 6 To drive talent excellence based on quality, values, ethics, integrity and wellness
- 7 To elevate branding and marketing through brand name and visibility
- 8 To ensure USMs infrastructure and infostructure support the learning and living experience
- 9 To ensure financial sustainability by focusing in business and sustainability

USM MYRA Performance Enhancement Model

Academic Programs

(Distinguished learning & living experience)

1. Experiential learning as our strategic differentiation
2. Globally preferred academic programmes
3. Unique learning experience through Frivoducation

- > **Globally preferred academic programmes that are future relevant.**
- > **Distinguished learning experience as a strategic differentiator (e.g. innovative programs, experiential learning, global exposure)**

Key Focus Areas 3

Strategic Initiatives

Students' Experience

(Distinguished learning & living experience)

1. To produce 21st Century Skills and values infused students through HEBAT agenda
2. To ensure students are proud to be “USM”
3. To provide conducive new living experience
4. To provide productive learning experience
5. Fostering global mindset

- > **Fostering global mindset through the inculcation of inter-cultural competencies and global citizenship (via “Internationalisation@home” and “One Student One Passport”)**
- > **Fostering HEBAT Agenda to ensure 21st Century skills and values infused students**
- > **USM students proud to be in USM through “I am USM” initiatives**

Key Focus Areas 4

Strategic Initiatives

Global leadership in R&D & Industry Partnership

(Niche areas)

1. Producing “High Tech” and “High Touch” Research to enhance societal well being
2. Energizing the industry via intensifying smart partnership collaboration from day 1. “USM Drives, Industries Thrive”

“USM Drives Industries Thrive”

Championing Sustainability Led Community Engagement and Services

1. To Intensify high impact community engagement projects through translational research that is current and relevant to the community

Enabler

1. TALENTS (Staff)

"We are USM"

Driving Talent Excellence

- Quality
- Values
- Ethics
- Integrity
- Wellness

Strategic Initiatives

1. Ensuring quality service and values infused in our staff through USM Competency Framework
2. Providing an ecosystem that promotes physical and mental wellness (Happiness Index)
3. Aligning appraisal and promotion with USM strategic direction
4. Identify 30 potential leaders among Deans/Directors and 30 of young lecturers between the ages of 30 to 40 years
5. Profiling, gap analysis, develop special training programs and monitor their performance
6. Develop a new format of performance appraisal for HOD
7. Buy-in process (at PTJ level)
8. Review promotion criteria for Professor (C.B.A) (Quantitative and Qualitative)

Enabler

2. RESOURCES (Branding & Marketing)

Elevating Branding & Marketing

- Brand name
- Marketing
- Reputation
- Visibility

Strategic Initiatives

1. Positioning APEX as USM brand name
2. Marketing USM Core Areas through USM Marketing Unit
3. Measuring global competitiveness through Global Magnetic Index

3

Enabler

2. RESOURCES (Infrastructure & Infostructure)

Providing the Infrastructure & Infostructure

- Quality
- Comfort
- Conducive

Strategic Initiatives

1. USM Global Village
(physical space)
2. Conducive learning & living experience

2

Enabler

2. RESOURCES (Finance)

*“Supporting Excellence Through
Financial Sustainability”*

Ensuring Financial Sustainability

- Business
- Sustainability

Strategic Initiatives

Institution

1. Optimization, savings and income generation as the catalyst for financial sustainability
2. Commercializing Academic Programs and Ideas
3. Asset Monetization for Income Generation

3

Enabler

3. GOVERNANCE

“We Unlock”

Transforming Governance

- Resilient & Ready
- Effectiveness
- Accountable & Agile
- Autonomy with Accountability
- Harmonious

Strategic Initiatives

Institution

1. Unlocking unnecessary policies and bureaucracies
2. Autonomy with Accountability

2

R.E.A.C.H.

Resilient & Ready | Efficient | Accountable & Agile | Conscientious | Harmonious

Enabler

4. ORGANISATIONAL CULTURE

Getting the right mindset

- Ethics
- Integrity
- USM Style
- Entrepreneurial Orientation

Strategic Initiatives

1. Inculcating global mindset (intercultural competency)
2. Financial sustainability mindset
3. Customer first mentality
4. Promoting physical and mental wellness (Happiness Index)
5. Doing it #USMstyle

5

zooming in on **the details_KFAs**

KEY FOCUS AREA 1: INSTITUTIONAL RECOGNITION (NETWORKING AND LINKAGES)

STRATEGY 1: To position USM respectably in global standing

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
To be competitive in global benchmarking	Top 100 in QS World University Rankings To enhance strategies addressing the ranking criteria: I. Research and publication workshop II. Quality of academic program III. International student intake through admission IV. Publications & Research Task Force	Position in QS World University Rankings 2019: Top 180 2020: Top 140 2021: Top 100 INITIATIVE 2: 1 additional publication per staff	x	x	x	Respected international standing	DVC ACADEMIC AND INTERNATIONAL DVC RESEARCH AND INNOVATION DIRECTOR,IPSC
	Top 100 in QS Subject Rankings To enhance strategies addressing the ranking criteria: 1. Research and publication workshop 2. Quality of academic program 3. International student intake through admission 4. Publications & Research Task Force	Position in QS WUR by Subject Ranking 2019 : 2 programme listed 2020 : 4 programme listed 2021 : 1 programme in Top 50, 4 programme in Top 100	x	x	x	Respected international standing	

KEY FOCUS AREA 1: INSTITUTIONAL RECOGNITION (NETWORKING AND LINKAGES)
STRATEGY 1: To position USM respectably in global standing

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
To be competitive in global benchmarking	3. -Top 100 in THES University Impact Rankings 1. Improve data management and record keeping 2. Strategizing based ranking criteria 3. Appointment of Section Heads	Position in THES University Impact Ranking 2019: Top 100 2020: Top 40 2021: Top 20	x	x	x	Respected international standing	DVC ACADEMIC AND INTERNATIONAL DVC RESEARCH AND INNOVATION DIRECTOR,IPSC
	To develop and implement the USM MyRA Performance Enhancement Model [7 Strategies] Strategy 1 : Report Card Strategy 2: Intervention Programme for Critical PTJS Strategy 3 : Help Programme for Other Weak PTJs Strategy 4: Briefing Session to Non Performing Lectures Based on Academic Staff Profiling Initiative Strategy 5 :Briefing on USM Financial Scenario and USM Financial Sustainability Model to HODs Strategy 6: Reporting of JK Penerbitan to JKPU Strategy 7: Determining and Announcing 2020 Incentive Model	Position in MyRA Ranking 2021: Top 2	x	x	x	Respected international standing	DIRECTOR,IPSC

KEY FOCUS AREA 1: INSTITUTIONAL RECOGNITION (NETWORKING AND LINKAGES)

STRATEGY 2: To position USM respectably in global standing

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
<p>To enhance internationalization agenda in academic programs, student activities and engagement and research & international community engagement</p>	Internationalization Strategies Enhancement Lab	A comprehensive Internationalization Enhancement Strategies Canvas developed for Implementation	x			Internationalization agenda will be achieved strategically and efficiently	DIRECTOR,IPSC

KEY FOCUS AREA 1: INSTITUTIONAL RECOGNITION (NETWORKING AND LINKAGES)

STRATEGY 2: To position USM respectably in global standing

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Advancement in strategic linkages to complement USM's focused value proposition globally	To create a map to link researchers and collaborators globally	Development of map	x			Map of targets, where and what	DVC RESEARCH AND INNOVATION
	To identify suitable collaborators and encourage application of international research attachment fellowships	Increase in international research attachment fellowships 2019,2020, 2021	x			New collaborations	
	To compile a list of available international grants	List of international grants	x			Increase in number of International grant applications	
	To encourage the young staffs to co-apply for international research grants and co-publish with their Alma Mater	Increase in international research grants application 2019, 2020, 2021.	x			Collaborative initiative , joint papers, joint research project and supervision	

KEY FOCUS AREA 1: INSTITUTIONAL RECOGNITION (NETWORKING AND LINKAGES)

STRATEGY 2: To intensify networking and linkages with global partners and alumni

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Engaging our alumni through personal engagements to come back and contribute	Prominent Alumni Talk Program	Minimum of 6 prominent alumni/USM-related focusing on recalling the intimate moment related to the establishment of USM back in 1969 (2019)	x			Engagement and instill the history of alma mater	DVC STUDENT DEVELOPMENT AFFAIRS AND ALUMNI
	Alumni Endowment Program	Increase PAUSM endowment fund to create at least 2 Pingat Emas for student during convocation. - To have a community-focus event with involvement of alumni to generate and attract more donor. INITIATIVE 18: 1 alumni engagement per PTJ 1 pingat Emas per PTJ	x			To have 2 recipient of Gold Medal yearly during convocation. Collecting fund to build Rumah Alumni.	
	Persatuan Alumni Business Kiosk/Premise	To have 6 kiosk/premises for young entrepreneurial alumni in conjunction with the establishment of Rumah Alumni	x			Nurture and develop entrepreneurial skills for potential business minded among alumni	
	Persatuan Alumni Convocation Engagement	To have at least 50% of graduan subscribe for membership during convocation	x			Increase participation from alumni and increase the visibility of Persatuan to the public.	

KEY FOCUS AREA 3: INSTITUTIONAL RECOGNITION (NETWORKING AND LINKAGES)

STRATEGY 2: To intensify networking and linkages with global partners and alumni

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Engaging our alumni through personal engagements to come back and contribute	ACE's Focused Engagement, to be engaging profiled individuals and establishments with high numbers of USM alumni	Minimum of 48 individuals and 52 establishments to be engaged per year. INITIATIVE 18: 1 alumni engagement per PTJ 1 pingat Emas per PTJ	x			Telethon Initiative to keep in touch and get engaged with USM alumni.	DVC STUDENT DEVELOPMENT AFFAIRS AND ALUMNI
	ACE's Spotlight and Junior Spotlight that showcases alumni's success stories.	Personally designed congratulatory posters (web and individual copy)	x			Congratulatory posters distributed to successful alumni	
	ACE's Alumni 1st Initiative *Alumni Fee proposal for academic program and projects (short-courses, conferences etc.) *Preference for alumni to be in ICAP panels, examiners etc	Alumni Fee scheme and to be included minimally in 5 CoR's annual initiative	x				
	ACE's Strategic Media Communication *Virtual (especially) and mainstream publications to promote USM	Alumni based: *2 strategic videos *1 strategic publication (alumni profile) *1 digital publication/ ver2.0 of ACE USM apps	x			ACE USM apps is installed in Playstore.	

KEY FOCUS AREA 2: ACADEMIC PROGRAMS

STRATEGY 1: To position academic programs for the global market

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Globally preferred academic programmes	To broaden academic programme delivery - To run academic programmes through MOOCS and Microcredential	1 MOOCs initiative per PTJ and 1 Microcredential initiative per PTJ	x	x	x	Accessibility to higher education (globally)	DVC ACADEMIC AND INTERNATIONAL
	Introduce 3 semesters/session	Implement 3 semesters session	x	x	x		
	To introduce creativity and innovation as part of academic curriculum towards producing job creators	Revise academic programs and HEPA Activities to include creativity and innovation	x	x	x		
	Encourage double degree (Arts & Science)	5% of graduates with double degree in Arts & Science	x	x	x	Academic programs in USM positioned at international level	

KEY FOCUS AREA 2: ACADEMIC PROGRAMS

STRATEGY 2: To position academic programs for the global market

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Experiential learning as our strategic differentiation	To execute academic programs competitive analysis: 1. Eliminate/improve non-competitive programmes 2. Elevate in-demand programmes	Number of programmes eliminated/improved/elevated INITIATIVE 5: Addressing Non-Competitive academic programme	x			Competitive programmes	DVC ACADEMIC AND INTERNATIONAL
	Unlocking bureaucracy - To unlock restrictive senate policies	To unlock 5 university policies	x			Inclusive, accessible and affordable programs	
	To facilitate schools in embracing OBE	26 schools embraced OBE	x			All programs are OBE embraced	
	To encourage extensive industry input in academic programs	Number of PTJs engaging with industry on academic programs	x			Industry relevant academic programs	
	To launch academic research grants	Targeted 10 grants awarded in 2019	x			Quality academic programs	
	To introduce international dual/double degrees/off shores by collaborating with international academic institutions	Number of new programmes introduced	x			Global Recognition Financial Sustainability	

KEY FOCUS AREA 2: ACADEMIC PROGRAMS

STRATEGY 2: To position academic programs for the global market

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Experiential learning as our strategic differentiation	To introduce liberal studies as foundation (to be taught during 1st year)	Numbers of programs adopting liberal studies approach as their foundation	x			Academic programs in USM positioned at international level	DVC ACADEMIC AND INTERNATIONAL
	To make service learning (unit beruniform/ khidmat masyarakat/sukarelawan) compulsory component.	All programs should include service learning as compulsory graduation requirement	x			Quality students	
	Encourage gap year	5% of students involved in service learning through gap year	x			Quality students	
	To include experiential learning as part of academic curriculum	Number of academic programs with experiential learning components (volunteerism, community engagements, intercultural activities)	x			Quality value-added academic programmes	
Unique learning experience through Frivoducation	To introduce Frivoducation as part of learning experience	1 Frivoducation initiative per PTJ	x			Quality students	

KEY FOCUS AREA 2: ACADEMIC PROGRAMS

STRATEGY 2: To position academic programs for the global market

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Experiential learning as our strategic differentiation	To include experiential learning as part of HEPA activities	Number of HEPA Activities with experiential learning components (volunteerism, community engagements, intercultural activities)	x			Quality students	DVC STUDENT DEVELOPMENT AFFAIRS AND ALUMNI
	To create and intensify platforms to integrate students from various disciplines to develop arts and scientific thinking. (Problem solving approach) (E.g. Makers@USM, ENACTUS, Kampus Sejahtera)	10% of USM student participating and involving in artistic and scientific thinking programs.	x			Quality students	

KEY FOCUS AREA 3: STUDENTS EXPERIENCE (DISTINGUISHED LEARNING & LIVING EXPERIENCE)

STRATEGY 1: To provide quality learning experience that meets global expectations

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Fostering global mindset	“One Student One Passport” Initiatives : e.g. Summer School, Exchange Programmes, Site Visits, Industrial Attachment, etc	800 students sent for experiential learning abroad	x			Students with Global Mindset	DVC ACADEMIC AND INTERNATIONAL
	Internationalisation at Home Program” : e.g. Establishment of USM International Society (USMi)	Number of programmes organised will be 20 with involvement by 500 local students	x			Students with Global Mindset	
	To create programs and activities that would foster inter-cultural competency among USM Global residents (International Food stall, Festivals, Frivoducation etc)	Number of programmes organised will be 20 with involvement by 1000 USM community	x			Students with Global Mindset	
To produce 21st Century Skills and values infused students through HEBAT agenda	To incorporate HEBAT attributes in academic programmes	HEBAT INDEX attributes incorporated into academic programmes	x			HEBAT students	DVC STUDENT DEVELOPMENT AFFAIRS AND ALUMNI

KEY FOCUS AREA 3: STUDENTS EXPERIENCE (DISTINGUISHED LEARNING & LIVING EXPERIENCE)

STRATEGY 1: To provide quality learning experience that meets global expectations

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	OWNERS
			19	20	21		
To produce 21st Century Skills and values infused students through HEBAT agenda	To develop HEBAT INDEX and incorporate HEBAT attributes in HEPA based activities	HEBAT INDEX HEBAT Attributes INITIATIVE 3: 1 new initiative per PTJ/central	x			HEBAT Students	DVC STUDENT DEVELOPMENT AFFAIRS AND ALUMNI
	To focus on entrepreneurship and creating job creators amongst students by focusing on creativity and innovation mindset	Number of students who are job creators	x	x	x	Job Creators	
	EPIC to create a Blueprint on "Future High Value Job Creators"	Blueprint on "Future High Value Job Creators" developed	x	x		High quality job creators	

KEY FOCUS AREA 3: STUDENTS EXPERIENCE (DISTINGUISHED LEARNING & LIVING EXPERIENCE)

STRATEGY 1: To provide quality learning experience that meets global expectations

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	OWNERS
			19	20	21		
To ensure students are proud to be "USM"	"I am USM" initiative	All initiatives carried out	x			Proud USM students	DVC STUDENT DEVELOPMENT AFFAIRS AND ALUMNI
To provide conducive new living experience	Hostel Transformation Plan by 3 tier Program	Number of hostel to develop by phase	x			The Best Accommodation Quality	
To provide productive learning experience	JORaN (Job Opportunities Recruitment and Networking)	To Develop JORaN System	x			Jobs on Campus	

KEY FOCUS AREA 4: GLOBAL LEADERSHIP IN R&D INDUSTRY PARTNERSHIP (NICHE AREAS)

STRATEGY 1: To Produce quality research that would benefit the global community

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Producing “High Tech” and “High Touch” Research to enhance societal well being	Preparation on Call for Proposal for Top Down Projects based on identified prioritised area	Call for Proposal: (CFP) 2020 - 2019- 2021 - 2 INITIATIVE 8 : 1 new product per PTJ	x			Research outcomes that contribute to nation building. Research to be more focused on identified themes.	DVC RESEARCH AND INNOVATION
	Preparation of Research Blueprint (10 years)	First draft of the Blue Print by the end of 2019	x	x	x		
	Establishment of Data Analytics and Intelligence Centre to manage research data	An operational data centre	x	x		Centre to become referred training centre and involved in data management and analysis	

KEY FOCUS AREA 4: GLOBAL LEADERSHIP IN R&D INDUSTRY PARTNERSHIP (NICHE AREAS)

STRATEGY 1: To Produce quality research that would benefit the global community

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Producing “High Tech” and “High Touch” Research to enhance societal well being	Dedicated website for promoting blockbuster research within USM: CurioUSMMind	Launching of Website by first quarter 2019	x			Global research community aware of the happenings in USM to attract international students	DVC RESEARCH AND INNOVATION
	Encourage researchers to publish their work in Mass Media Note: Science journalism, social media, Penerbit USM and webinars	Written articles in mass media: 2019: 5% of researcher population 2020: 15% of researcher population 2021: 25% of researcher population articles	x	x	x	Increased collaboration, number of visitors to USM and students	
	Develop/adopt a comprehensive directory of experts in USM	Launching of Directory of Experts 2.0 by first half of 2019	x	x			

KEY FOCUS AREA 4: GLOBAL LEADERSHIP IN R&D INDUSTRY PARTNERSHIP (NICHE AREAS)

STRATEGY 1: To Produce quality research that would benefit the global community

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Producing “High Tech” and “High Touch” Research to enhance societal well being	Positioning the HiCoEs towards global level	Global HiCoEs	x	x	x	Increased collaboration, number of visitors to USM and students	DVC RESEARCH AND INNOVATION
	To develop and establish publication policy for USM	To establish the policy by first half of 2019	x			Increased collaboration, number of visitors to USM and students	
	Moving up of CoEs towards HICoEs	Increment of CoEs score in HICoEs instrument by 10% per year	x	x	x	More recognized CoEs at national and international level.	

KEY FOCUS AREA 4: GLOBAL LEADERSHIP IN R&D INDUSTRY PARTNERSHIP (NICHE AREAS)

STRATEGY 1: To Produce quality research that would benefit the global community

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Producing “High Tech” and “High Touch” Research to enhance societal well being	Establish a Search Committee for Research Award to market our Research Icons	Increase in number of researchers gaining reputable international awards: 2019: 2% of population 2020: 5% of population 2021: 8% of population	x			Publicity for USM to attract international students	DVC RESEARCH AND INNOVATION
	Highlight personal life profile of successful researchers in USM. Note: Link personal life for their success story and personalized website. Involvement in global competition – engage international stakeholders.	Increase citation, invitation as keynote speakers	x			Increased citation, invitation as keynote speakers	
	New Technology consortium with industry partners (covering more research areas: E.g. Halal, Medical, ICT, Automation)	Consortium established: Halal - Nexus Life Sciences Connected Helthcare - Nexus Medical & Health Sciences FinTech - Nexus Social Sciences & Humanitites Automation - Nexus Engineering	x			Bring together public and private sector to develop initiatives for technology and innovation needs under specified areas.	

KEY FOCUS AREA 4: GLOBAL LEADERSHIP IN R&D INDUSTRY PARTNERSHIP (NICHE AREAS)

STRATEGY 1: To Produce quality research that would benefit the global community

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Energizing the industry via intensifying smart partnership collaboration from day 1. "USM Drives, Industries Thrive"	To provide incentives for publication fees for publication with industries To give additional recognition to publication associated to the industry – Identify the niche areas: - to continually update the database (ICNIS) of institution/expertise/industry to support and engage industry collaboration Sanggar Sanjung and promotion criteria	% of publications with industry (particularly those listed in Forbes 2000 & Fortune 500 companies)/ community): 2019 - 5% 2020 - 10% 2021 - 15% - Industry funded grant - Industrial Attachment - Industry in the classroom - Number of Moa/MoU 2019 – 5 2020 – 5 2021 – 10 INITIATIVE 10: 1 strong industry partner per PTJ	x			More impactful research to community and industry	DVC RESEARCH AND INNOVATION
	To diversify research funding that incorporates co-funding from stakeholders	Facilitation to get co-funding research project by stakeholders 2019 - 4 projects 2020 - 8 projects 2021 - 12 projects INITIATIVE 9 1 new initiative per PTJ	x			Stretching the dwindling research funding	
	To allocate matching funds with industries	Number of projects co-funded with industry (Minimum 50K/project): 2019 - 10 projects 2020 - 30 projects 2021 - 50 projects	x			Funding for matching grant allocation of RM300,000 approved by the University. 4 applications received and 2 projects approved: PixArt Imaging - PPK EE MDC Concrete - HBP	

KEY FOCUS AREA 4: GLOBAL LEADERSHIP IN R&D INDUSTRY PARTNERSHIP (NICHE AREAS)

STRATEGY 1: To Produce quality research that would benefit the global community

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Energizing the industry via intensifying smart partnership collaboration from day 1. "USM Drives, Industries Thrive"	To encourage more academic staffs to conduct research attachments at industry (minimum 3 months)	Percentage of academic staff: 2019 - 5% 2020 - 7% 2021 - 9%	x			More technology transfer	DVC RESEARCH AND INNOVATION
	To involve industries in grant evaluation and product development	All Top-down research grants must involve industries in evaluation procedures	x			More technology transfer	
	To set up innovation commercialization fund sourced through royalty or endowment	RM 500,000	x			More technology transfer	
	To undertake pitching sessions to targeted group of industries	One theme every quarter	x			More technology transfer	

KEY FOCUS AREA 4: GLOBAL LEADERSHIP IN R&D INDUSTRY PARTNERSHIP (NICHE AREAS)

STRATEGY 1: To Produce quality research that would benefit the global community

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
Energizing the industry via intensifying smart partnership collaboration from day 1. "USM Drives, Industries Thrive"	To have virtual thematic showcase of IPs and invite related industries globally	One theme every quarter	x			More technology transfer	DVC RESEARCH AND INNOVATION
	Establishment of a platform to allow idea sharing and fertilization.: webinar, chat room	Café to be organized once a month	x			More technology transfer	
	Restructuring research cluster and mapping with demand driven areas and challenges to create Clusters/ Nexus	Research strengths and research areas identified and Clusters formed. 2019 - Minimum 4	x			More technology transfer	

KEY FOCUS AREA 5: CHAMPIONING SUSTAINABILITY LED COMMUNITY ENGAGEMENT AND SERVICES

STRATEGY 1: To conduct action oriented community engagement that is current and substantial based on translational research

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE			OUTCOME	LEADERS
			19	20	21		
To Intensify high impact community engagement projects through translational research that is current and relevant to the community	Communization of Knowledge Through Research Innovation for Community Development (USM PRIHATIN) 1. MRUN Translational Research Grant 2. INNO4C Program (Innovation for Community)	Call for Proposal: 1. 2019 (new project-15, continuity project-15) 2. 2020 (New project-15, continuity project-17) 3. 2021 (New project-17, continuity project-15) Number of Community 1. 2019 - 1000 participant 2. 2020- 1100 participant 3. 2021- 1200 participant Produce publication through International e-Journal of Community and Industry Engagement 1. 2019 - Increase by 5%* 2. 2020 - Increase by 10%* 3. 2021 - Increase by 15%* *Based on MyRA KPI	x			Research outcomes that contribute to nation building. Research to be more focused on identified community needs	DVC RESEARCH AND INNOVATION BJIM
		INITIATIVE 7: 1 new research of impact per PTJ					
		INITIATIVE 11: 1 new project per PTJ					

KEY FOCUS AREA 5: CHAMPIONING SUSTAINABILITY LED COMMUNITY ENGAGEMENT AND SERVICES

STRATEGY 1: To conduct action oriented community engagement that is current and substantial based on translational research

STRATEGIC INITIATIVES	ACTIVITIES	KPI	TIMELINE				OUTCOME	LEADERS
			18	19	20	21		
To Intensify high impact community engagement projects through translational research that is current and relevant to the community	Develop community engagement toolkit to focuses on quality and effectiveness, process planning and designing engagement tailored to the particular issue, level of participation to be achieved, timeframe and range of stakeholders affected	Produce publication: University-Community Engagement Leadership Toolkit		x	x		Strengthen USM's impact on the community through impactful engagement, sustained partnerships, and a focus on innovative vibrancy	DVC RESEARCH AND INNOVATION BJIM
	Provide Competency and Enhancement Programme for academic staff to Leading an impactful & sustainable community engagement	Provide Competency and Enhancement Programme: <ul style="list-style-type: none"> • 2019 - 4 training programs (USM Level – 2, National Level-2) • 2019 - 120 academic leaders are involved (USM Level-30, National Level-80) • 2020 - 4 training programs (USM Level (2) 2020 - 30 academic leaders are involved (USM Level-30)		x	x
